During New Brockton Town Council meeting

## Motion for \$2 per hour 'across the board' employee pay raise fails due to tie vote

by Linda Hodge, Editor

The New Brockton Town Council met Monday evening, Nov. 1, for its regular monthly meeting, and a vote to give employees and 'across the board' raise failed due to a tie vote of the council.

Early in the meeting, council member Ralph Medley made a motion to provide a \$2 per hour raise for employees across the board. His motion received a second from council member Shirley Eads.

The motion and second came after a short discussion where council member Todd Askins asked if the most recent discussion on the matter at a work session had gotten the council close to common ground on the matter. Mayor Kathy Holley responded saying not really in answer to Askins question.

After Medley made the motion, Askins said he would not be for an across the board \$2 raise for employees.

The vote was split 3-3, which caused the motion to fail due to the tie. Medley, Eads, and Mayor Holley voted in favor of the motion for the \$2 per hour raise. Voting against the motion were council members Askins, Ronald Terry, and Justin Flowers.

Following the vote, no one on the council gave any indication as to whether the topic would be revisited at a later meeting or not. The next work session for the town council is set for Monday, Nov. 15, at 6 p.m. while the next regular meeting is set for Monday, Dec. 6, at 6 p.m.

Sealed bids were opened during Monday night's meeting for roof repair work on a portion of the town hall building. The low bid on this project came in at just over \$250,000, and the council voted unanimously to go with that bid.

The only other bid submitted for this project was

from the same company, just for a different type roof replacement. That bid was over \$300,000.

Several council members applauded Connect Church and others involved in a community event held last Wednesday night, Oct. 27, in the town. This was a fall festival type event that included

trick-or-treating and games for youngsters.

Council member Flowers noted he had not seen that many people in New Brockton at one time in a very long time, and it was nice to see.

Monthly financials were reviewed, and a motion passed to pay the bills.

**AND THE WINNER IS...** The costume contest is always a fun part of Elba's Pumpkins on the Square festivities each year. From individuals to groups in all ages, the array of costumes is a sight to see, and this year was no different. Pumpkins on the Square is a free community event sponsored by the Elba Chamber of Commerce, and it includes trick-or-treating for candy, bounce houses for kids, a haunted hayride, and the costume contest [with several different categories]. The event was held last Thursday evening, Oct. 28, on the square in Elba, and thousands of people were in attendance. Above, London Grantham shows off her trophy after she was declared the costume contest winner for the 0-5-year-old age group. London was dressed as Blippi for the occasion. She is the daughter of Melissa Grantham. More photos from "Pumpkins" can be found on Page 2.

**THREE-VEHICLE WRECK SENDS TWO TO HOSPITAL...** Three vehicles collided around 8 a.m. Thursday morning, Oct. 28, at the intersection of Claxton Avenue and Highland Drive in Elba. Involved in the wreck was a 2018 Ford Mustang (pictured above), a 2020 Nissan Rogue, and a 2020 Kenworth 18-Wheeler. Elba Police investigated the accident, and officials said the investigation revealed the driver of the Mustang, Deborah McVey of Elba, pulled off Highland Drive into oncoming traffic on Claxton Avenue. McVey's Mustang collided with the Rogue, driven by Carolyn Broaden of Hope Hull, Ala. The 18-wheeler, driven by Maxie Charles Andrews of Enterprise, received only minor damage from the initial collision between the other two vehicles as one was pushed into the trailer of the 18-wheeler during the incident. McVey was transported from the scene by Enterprise Rescue to Southeast Health in Dothan, Ala., and she was released later the same day after treatment for minor injuries. Broaden was transported by Enterprise Rescue to Medical Center Enterprise, also for minor injuries, and she was released later the same day. Andrew was not injured in the wreck. Also responding to the scene was the Elba Volunteer Fire Department.

"This year proceeds from the Foggy Bottom Cruise-In Car Show will be used to help digitize The Elba Clippers we have in our collection, which are currently on deteriorating microfilm," said Elba Public Library director Jennifer Amlong. "Since I came to the library in 2018 this has been a goal."

She said the library staff is often asked about information found in The Elba Clipper newspapers. Currently, to search, staff or patrons must spend time, sometimes hours, scrolling through microfilm images.

"With the digitized version, online documents will be searchable by subject," Amlong said. "Access to

feel it is worth it. She said the proceeds from the Car Show, sponsored by the Foggy-

Bottom Cruisers, is a great start to getting this project up and running. Amlong said she is very thankful for the generosity of the Foggy Bottom Cruisers to host the car show each year with benefits coming to Elba's public library.

## BRAINSTORMS

With Ferrin Cox

"Rudeness is the weak man's imitation of strength."  
— Eric Hoffer

A couple of Saturdays ago an unusual tap, tap on the front door revealed two young girls knocking on doors in the neighborhood and giving out homemade 'things'. We think they said they were eight and nine years old, but we were so surprised those ages are not etched in stone. The little things were made from wooden ice cream spoons. A smiling face drawn on the spoon was accompanied by a red heart shaped "Trick or Treat" glued on the middle of the spoon. All this was in a small plastic bag. Apparently, these smiling young ladies were on a mission of getting the whole neighborhood ready for Halloween. They performed their mission well! Whomever helped, prompted, encouraged, etc. this little project is to be commended.

The Alabama Legislature is in session this week battling over how to redraw voting district lines across the state to comply with the "one man, one vote" rules. Each time they switch from U. S. House districts to state Senate and House districts or state school board districts, it is a new debate because each one has a different number of divisions. When this battle has subsided the counties will be in the debates over County Commission district lines while the cities are scratching their heads over how to redistrict their city council districts. Actually the 'experts' are already studying these issues but are holding things close to their vest until - sometime - before another election is scheduled. We have asked a couple of times about the projected extent of the local district lines changing and get blank looks and "we are waiting on more census information."

The number of traffic accidents have exploded, not just locally but across the nation. There are lots of ideas about what is causing this uptick. One cause in this local area has been confirmed by security cameras - speeding and ignoring traffic warnings. A recent wreck was caught on security camera and showed an out-of-town driver ignoring the alerts of the upcoming intersection (and probably the speed limits) entering the intersection at full speed and crashing with another vehicle. None of us can solve this problem, but we can increase our alertness and be ready to take evasive action. A wreck may not be your fault, but that will not make you immune from being injured or killed or having your vehicle badly damaged.

It would insult a thinking person's intelligence to say that wearing the mask will guarantee no COVID infection. The same for the shots. However, it is not insulting to say the mask will reduce your chances of getting the virus. Also, the facts are that most of the vaccinated who still get COVID are not getting as sick as the unvaccinated.

Be safe, wear your mask, social distance, wash your hands AND get the shot(s)!

## Cuzin Lou Lou's Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou enjoyed the trick-or-treating festivities last week brought to her little spot in Yonder... she even got into the 'dress up' fun by coming up with a costume of her own!

Lou Lou put on her camo pants, black boots, camo cap, and "Proud Daughter of a Vietnam Veteran" Army t-shirt, and she proudly declared - "I'm an Army Brat!"

Not missing a beat, Sister responded, "You got the brat part right, at least!" Gasp!! How rude of Sister!

Sister, being more of a 'princess' Halloween costume person was not overly excited about Lou Lou's choice of costume, but she did admit finally that she turned out better than she anticipated when Lou Lou first started talking about making her idea a reality.

Sister, who was still recovering from her latest iron infusion treatment, went low-key this season and didn't really dress up for the trick-or-treating. She did, however, sit outside with Lou Lou and enjoyed greeting the little trick-or-treaters as they stopped by for candy.

Sister thinks Lou Lou gets a little too excited and tends to go overboard with things. She declares that Lou Lou will never grow up.

After a couple of minutes of sitting in the rocking chairs on the front porch, Lou Lou decided they needed to add some ambience. She brought a speaker outside and began playing fun Halloween songs to help greet the trick-or-treaters.

Lou Lou being Lou Lou she soon started dancing to the tunes, and Sister quickly put a stop to that too! Sister's reasoning was that Lou Lou was either going to scare all the trick-or-treaters away or she would hurt herself somehow.

"Behave!" was Sister's warning shot to Lou Lou.

To add insult to injury, one of Lou Lou's dear friends came by a short while later with her children for trick-or-treating, and Lou Lou proudly announced she was an "Army Brat" that evening. Like Sister, said friend immediately shot back with, "got that brat part right, huh?!?"

What in the world of Yonder was happening? Folks were agreeing with Sister!!

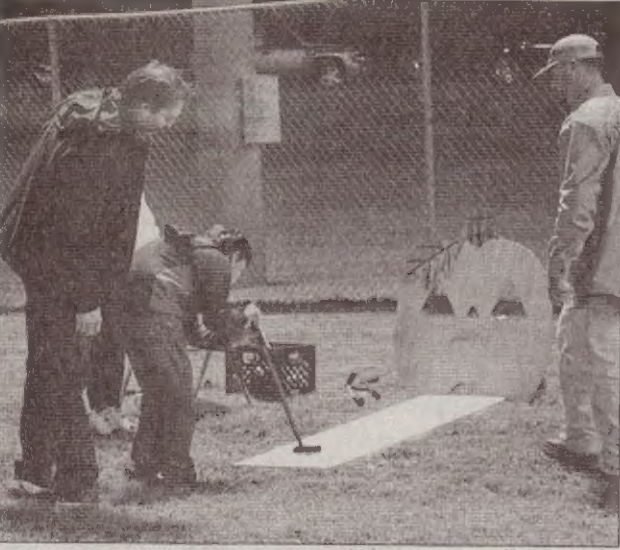

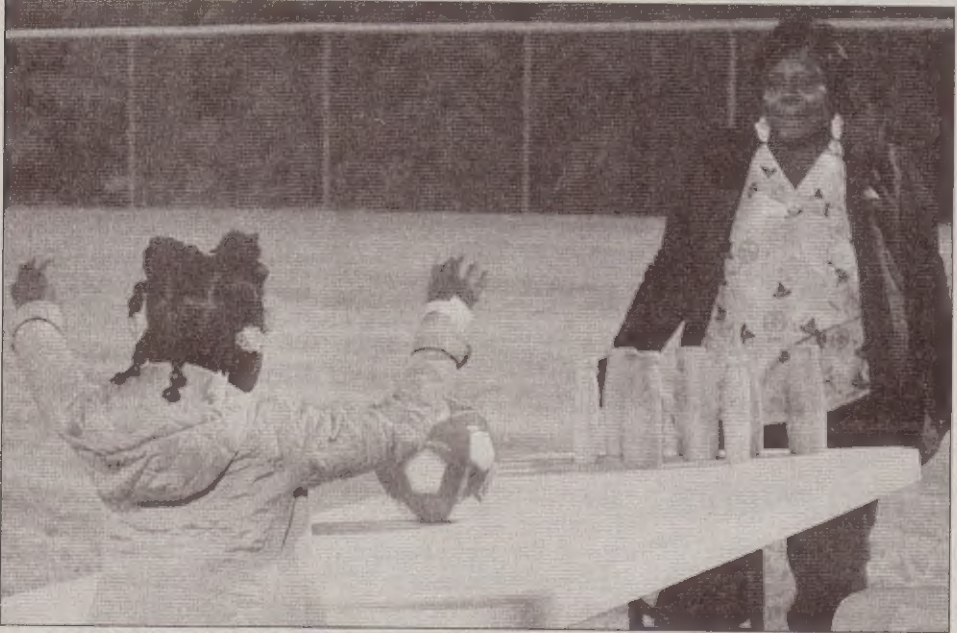

Lou Lou has concluded there must've been some sort of spell cast over the night...that is the only logical way the universe would be agreeing with Sister!!

Sister, on the other hand, found it all quite amusing! Until next time...God Bless and Keep Smiling!

### Why Do We Use Flowers at Funerals?

Flowers at funerals are no new idea, as they have been found at ancient Neanderthal burial sites dating back to 60,000 B.C.E. Blossoms have been a crucial part of the funeral process for much of human history. However, they have not always been used as decoration or as a symbol of sympathy and emotion. Rather, their origin is much more practical.

Before embalming, which started in the 1800s, flowers were used to cover some of the natural processes of the deceased. Ancient writings, as old as the Talmud, have referenced fragrant flowers, as well as spices, being used in such a manner. In order to keep an inviting way for loved ones who wanted to say goodbye to the departed, flowers created a more welcoming environment. Flowers were readily available and naturally scented, making them an ideal alternative to perfumes.

In the Victorian era, the deceased was set out in the family's home for many days; large bouquets were used to maintain a fresh and welcoming atmosphere for visitors. Many of the shapes of funeral arrangements we see today originate from this period. The size, color, look, and even grandeur of the offerings were seen as an important way to pay tribute to the deceased. While the historic use of flowers in funerals has changed, there are a few other key reasons they are still an essential part of many burial rites. First, they are symbolic. After embalming became commonplace, flowers transformed into a symbol and took on many different forms, including the circular wreath, which reminded onlookers of eternal life.

Blossoms are modernly used to send messages of comfort to those who are mourning. Flowers also represent the character of the person who has passed. By incorporating them into the service, blossoms create a blissful environment for those who are saddened by the departure of their loved one.

#### No Potemkin Church

As the story goes, Grigory Potemkin was just a Russian nobleman trying to win the favor of Catherine the Great. In 1783, Potemkin wanted to impress Catherine with the quality of her new Grimean Passions. Before her tour of the region, he ordered pleasant village facades to be built to impress her during her tour of the area. ## ADPH continues to recommend universal indoor masking

Even though the overall level of community transmission of COVID-19 is declining in Alabama and the number of cases is decreasing, the majority of counties in the state continue to have high, moderate or substantial levels of disease. COVID-19 transmission levels in the community, along with vaccine levels, healthcare capacity, surveillance testing, and in-school reported outbreaks or cases should all be considered prior to changes in the layered mitigation used in the school setting. Layered mitigation, including universal masking, good hand hygiene, social distancing of at least three feet or to the extent possible, along with environmental cleaning, and improved ventilation, are important measures to keep children, staff and teachers safe.

The Alabama Department of Public Health (ADPH) urges continued use of all preventive measures to reduce COVID-19 in schools until COVID 19 is under better control in Alabama. Consistent and correct mask use in schools has helped reduce the number of

cases of COVID-19, allowed schools remain open to in-person learning, and helped prevent the consequences of this serious disease. Scientific research published in Pediatrics, as well as the Morbidity and Mortality Weekly Report (MMWR), supports mitigation measures, especially universal masking. ADPH pediatricians, Drs. Karen Landers and Wes Stubblefield, advise parents, caregivers and school personnel to keep up prevention to keep down COVID. Stubblefield, former President of the Alabama Chapter of the American Academy of Pediatrics and now an ADPH Medical Officer, states, "As data continue to show the safety and efficacy of the COVID-19 vaccine in children, we urge parents to consider vaccinating those who fall in the eligible groups after a discussion with their health care provider."

Landers, a long-time pediatrician, and Medical Officer with ADPH, says she is most concerned that COVID-19 cases in children are declining

ing at a slower rate, with school-age children representing almost 15 percent of recently reported cases. This is during a time when some schools are on fall break, thus allowing cases to appear to be falsely lower than actual cases. Landers also expresses concern that at least 19 children were hospitalized with COVID-19, as of October 14 with three in intensive care and two on ventilators.

"We need to urge those involved in the education of children to provide a safe, healthy learning environment while we bring this virus under control," Landers said.

Recent Centers for Disease Control and Prevention MMWR studies found that school districts without universal masking policies in place were more likely to have COVID-19 outbreaks than other districts that did not implement mask policies. Pediatric COVID-19 cases increased nearly twice as quickly in counties without masking requirements than in counties requiring them.

## Trick-or-treating around the area

Layton Downing sported his "duck hunter" Halloween costume last weekend as he went trick-or-treating with family and friends.

Cousins Selah Wimberly, Lilly Daniels, and Charlie Grace Wimberly were all smiles and giggles last Saturday evening as they set out to go neighborhood trick-or-treating in Elba. The girls trick-or-treated with their brothers and friends. They said no amount of candy could ever be too much candy...their moms were not in agreement!

*It was a great week to be a kid* as our grandson Lawson went to Elba's 'Pumpkins on the Square' on Thursday night, the Elba Elementary School's 'Fall Festival' on Friday night and then got to go out 'trick or treating' on Saturday night. I'm not sure how much candy he took home, but I do know his Nanny filled him up on brownies, candy and even a cake after the festival.

## For what it is worth....

\*\*\* *The Elba Tigers are back in the playoffs* for the 13<sup>th</sup> time in the last 14 years and as region champs will get to be at home in the first round as they host Ranburne. The Tigers missed the playoffs last season, but bounced back strong in Coach Marc Sieving's second season at the helm and hung up nine wins on their side of the ledger for the first time since 2016, scored 430 points (the second most in the last five years) and allowed only 177 points (the second fewest since 2009). While the Tigers are back in the playoffs and are ranked 4<sup>th</sup> in the state, they have posted a 4-4 record in their last four playoff trips and haven't made much noise. While the history of the Elba Tigers is something to pay attention to, these Tigers are a new breed and have all their fans excited about being in the playoffs and have them looking for a long run in the post-season.

\*\*\* *I went to the Zion Chapel-Pleasant Home football game* last Thursday night and really had a good time walking the sidelines, listening to the coaches and players, watching the band's unique halftime performance in Halloween costumes, and of course watching the Rebels win the game. I am usually in the pressbox at high school football games doing live broadcasts for WVY-FM, and while it does give me the best seat in the stadium, it puts me a long way from the action and the sounds of the game. It was fun last week to be back on the sidelines and I want to thank all the folks from Zion Chapel for their enthusiasm and for reminding me what high school football is really all about.

\*\*\* *The final week of the regular season* in high school wasn't the best of weeks for a lot of teams across the state as one #1 team bit the dust and a total of 16 teams in the top ten also fell to defeat. The top-ranked team that lost was 2A Clarke County, which lost to Thomasville 15-14, while five ranked teams in 1A lost, including #3 Maplesville, #4 Pickens County, #6 Wadley, #9 Loachapoka and #10 Cedar Bluff; a pair of 2A teams lost in #3 Mars Hill and #9 Leroy; two 3A teams lost in #5 Lauderdale County and #7 Trinity; two 4A teams lost in #2 Vigor and #4 Handley; one 5A team lost in #6 Russellville; one 6A team lost in #4 Helena; and up in 7A, #4 Auburn lost to IMG Academy, the second ranked team in the nation. In action closer to home, 2A Abbeville closed the season with a 37-20 win over winless Pike County, 2A G.W. Long improved its record to 8-1 with a 21-20 win over Houston Academy, 3A Slocomb lit up the scoreboard in a 58-20 win over Geneva County, 3A Providence Christian closed the season on a three-game winning streak with a 33-20 win over Florala, 4A Ashford concluded a one-win season with a 12-8 loss to Northside Methodist, 5A Carroll will head into the playoffs with a 4-6 record after a 41-35 loss to Tallassee, and 7A Dothan picked up win #4 with a 17-13 upset win over McGill-Toolen.

\*\*\* *The high school football playoffs kick off* this week with a total of 108 games scheduled all across the state in all seven classifications. While the coaches will insist all the teams in the post-season have 0-0 records once the single-elimination event kicks off, there are definite favorites in all seven classes and some teams have easier rides than others when looking at the brackets. Here is what I noticed on my first look at the brackets....

\*\*\* *Class 1A* – It looks like an easy ride to the semifinals for the top-ranked Brantley Bulldogs. The Bulldogs will host R.C. Hatch in the first round, a team that has posted only one winning season in fifty years, while in the second round it looks like Millry will be the opponent, which is a team that closed the regular season with two losses in its

last three games. In the quarterfinals it looks like either Keith, which won two of its seven games by forfeit, or Notasulga, which has lost to the Bulldogs four times in six previous matchups. The other side of the bracket includes such 1A powers as Maplesville, Sweet Water and Linden, which makes it easy to see that Brantley's road looks pretty smooth. As for the Kinston Bulldogs, the 'Dogs from Coffee County may actually be favored in their opener against Central Hayneville, but in the second round they would hit the road for a trip to Sweet Water, which may be a road filled with bumps.

\*\*\* *Class 2A* – It looks like a long and winding road for the Elba Tigers as they have nothing but 2A powers all along the path in the playoffs. The Tigers will open at home against Ranburne, a team that has posted nine or more wins in five of the last nine years and is a state title contender every year in wrestling, while in round two the Tigers have a solid chance at staying at home and could tangle with Orange Beach, a team that's only loss in an 8-1 season was a forfeit loss to top-ranked Clarke County. Should Elba hold its homefield advantage, the Tigers would then hit the road for a possibly match-up with Lanett, which has won a total of 68 games over the past six years and appears even better than ever. If the Tigers can hang up three wins on their side of the roster a semifinal match-up would find top-ranked Clarke County, Arifton, G.W. Long, B.B. Comer or Isabella waiting. It looks like lots of potholes on the path to a title.

\*\*\* *Class 3A* – Opp will at home for its playoff opener and should be a big favorite against Reeltown, but T.R. Miller would be waiting in the second round, with Trinity, Montgomery Academy or Flomaton waiting in the wings, with top-ranked Montgomery Catholic expected to be waiting in the semifinals. Not exactly a speed trip in the early rounds, but not the best of road conditions for the Bobcats.

\*\*\* *Class 4A* – Straughn had a 7-3 record in its bounce back season under a new coaching staff and will be at home in its playoff opener, but is only one win away from a road trip to second-ranked Vigor, while Geneva will run head first into defending state champ Handley in its opener. It may be time to find a new route for both teams.

\*\*\* *Class 7A* – Enterprise will be on the road to Fairhope for its playoff lid-lifter, and while the Wildcats should have a shot at pulling off a big road win, region foe Auburn would host the 'Cats in the second round, and if they pull off two upsets on the road, the third round would be back on the road for a battle with Central Phenix City. The Wildcats will have to be true road warriors if they hope to bring home the big blue map.

\*\*\* *Ye Ole Polish Prognosticator* dropped by over the weekend and said he was more than ready to get the playoffs started after eleven weeks of regular season play. The local guesspert hit on 18 of his 23 picks last week to wrap up another banner season, and left this week's playoff picks. Here is this week's fearless forecast....

## ELBA VS. RANBURN

The Pea River felines will be back at the house this

week in the opening round of the playoffs and will have to be on the lookout for a batch of bulldogs that like to travel by the air. The felines are big favorites and on paper look like big winners, but games aren't played on paper, and this one may be a lot closer than many people think.

ELBA 33 RANBURN 27

## KINSTON VS. CENTRAL HAYNEVILLE

The bulldogs from down near the county line will get to stay at the pound for their playoff opener and will be well-fed and ready to go hunting when a litter of kitties head to town late Friday afternoon. The kitties are better than many folks think and will come expecting to take home a win, but the guess here is the bulldogs survive and advance.

KINSTON 23 CENTRAL HAYNEVILLE 20

## BRANTLEY VS. R.C. HATCH

The bulldogs from up above the creek will be at home in their playoff opener and should make it look easy against a litter of bobcats that will sneak into town just before dark. This one will be over just after the opening kickoff and everyone dressed in green should have some fun.

## Kinston and Brantley to host 1A playoff openers

The high school football playoffs will kick off all across the state this week and in the area the Kinston Bulldogs and Brantley Bulldogs will both be at home as they host opening round action.

Following are previews of both playoff games:

### Central at Kinston

The Kinston Bulldogs will host their first playoff game in program history on Friday night when they host the Central Lions, of Hayneville.

Kinston set a number of team records during its 7-3 season, including the most wins in program history, the first home playoff game in program history and the first playoff appearance since 20-15. The Bulldogs average 25.4 points per game and allow 18.4 points per game and have won six of their last seven games, with two of the losses to top-ranked 1A Brantley and 3A Houston Academy.

The Bulldogs are in their 50<sup>th</sup> year on the gridiron, have an all-time playoff record of 1-13 and have a 1-12 record in first round contests.

Central is in its 46<sup>th</sup> year of football and has posted five winning seasons. The Lions will be making their second straight playoff appearance and have an all-time playoff record of 0-4. Central averages 18.3 points a game and allows 14.2 points a game.

The Lions have posted wins over R.C. Hatch 26-0, A.L. Johnson 43-0, Wilcox Central 14-0, J.F. Shields 1-0 (forfeit) and Calhoun ##-##, while losing to Keith 35-8, Prattville Christian 28-18 and Linden 22-0.

Central has posted a 17-12 record the past two seasons after winning just 14 total games the previous 14 years.

### R.C. Hatch at Brantley

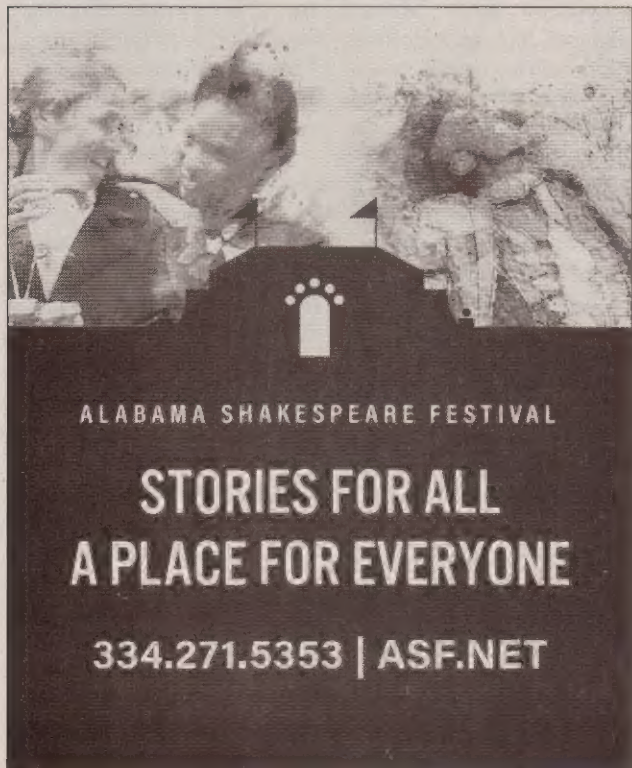

The top-ranked Brantley Bulldogs will be looking to take their first step in what they hope will be a journey to a fifth state title on Friday night when they host the R.C. Hatch Bobcats, at David Lowery Stadium, in Brantley.

Brantley, which is in its 96<sup>th</sup> season on the gridiron, has claimed four state titles and 32 regular season titles, while R.C. Hatch has posted only one winning season in 55 years and has never won a post-season contest.

The Bulldogs will bring a 74-36 playoff record into the first round matchup and owns a 33-7 record in first round action.

The Bobcats averaged 20.2 points a game and allowed an average of 28 points a game during the regular season as they posted a 3-7 record. The wins came over Francis Marion 28-26, J.F. Shields 50-0 and A.L. Johnson 58-0, while the losses came to Autaugaville 32-14, Central Hayneville 26-0, Keith 30-0, Linden 38-6 and Southside Selma 52-6.

### In 2A playoff opener

## Tigers get ready for Ranburne

Two teams that have combined to win 10 state championships and 32 region titles will tangle on Friday night at Tiger Stadium when the (9-1) Elba Tigers host the (6-4) Ranburne Bulldogs, in an opening round matchup in the Class 2A high school football playoffs.

The Tigers, in their 100<sup>th</sup> year on the gridiron, have claimed seven state titles (1951-1954-1957-1989-1998-2011-2015) and 20 region crowns, while the Bulldogs, in their 91<sup>st</sup> year pulling on the pads, have claimed three state titles (1957-1966-1975) and 12 region crowns.

"All the teams that made the playoffs earned their way to the post-season," said Elba Tiger head coach Marc Sieving, "and Ranburne is definitely a quality team that played its way into the post-season and will come here expecting to take home a win."

Ranburne, the #4 seed in Region 4, averaged 28.4 points a game and allowed 29.2 points a game in rolling to six wins, including two straight wins to close the season that out the Bulldogs in the playoffs. The Bulldogs defeated White Plains 28-26, Vincent 36-35, Randolph County 42-0, Woodland 49-6, Horseshoe Bend 30-28 and Fayetteville 43-29, while losing to Wadley 21-14, B.B. Comer 55-28, LaFayette 33-14 and Lanett 59-0.

Ranburne owns an all-time playoff record of 20-28, including a 14-15 record in first round action and has won ten games or more four times in the past nine years.

"Ranburne is a well-coached football team in all areas and plays hard on every play," added Sieving. "On offense they like to spread the field to move the defense around and they are comfortable running and passing. They have a young quarterback that throws the ball well, a speedy back that can gain yards in a hurry and a big and physical offensive line. Ranburne is scoring a little over twenty-eight points a game and does a good job on offense. Over on defense, they play pretty basic and have a lot of players in the box to stop the run. They did give up some points during the season, but it wasn't due to a lack of effort."

Ranburne's six wins came over White Plains 28-26,

Vincent 36-35, Randolph County 42-0, Woodland 49-6, Horseshoe Bend 30-28, and Fayetteville 43-29, with losses coming to Wadley 21-14, B.B. Comer 55-28, LaFayette 33-14 and Lanett 9-0.

"Ranburne may have only six wins," said Sieving, "but they had to win the last two games to make the playoffs and did just that. We will need to play smart on both sides of the ball to post a win Friday night, and at the same time be aggressive and do what we do. On offense we will have to be able to run the football, and on defense we'll need to stop the run and pressure the quarterback. We gave the players a few days off last week after school, but worked on our plan in the mornings and had maybe our best practice of the season on Tuesday. The players are all excited about hosting the first round of the playoffs and being a part of the post-season. We know Ranburne will be a test for us. However, we are confident if we play our best we will be okay, and expect to do just that."

Rebels cage Eagles 39-24

Story and photos by Ricky Mularz, Sports Editor

The Zion Chapel Rebels continued their dominance over Pleasant Home last week as they rolled to their fifth straight win over the Eagles with a convincing 39-24 victory, Thursday night at Pleasant Home.

Zion Chapel received the game's opening kickoff and immediately headed down the field on an eight play scoring drive. Zay Adair had a 22-yard third down run early in the possession to keep the drive alive, while the Rebel score came on a 14-yard touchdown toss from Mason Stuart to Bradon Grantham. Stuart ran in the two-point conversion, and with 7:40 remaining in the first quarter Zion Chapel was already on top 8-0.

Pleasant Home began its initial possession at its own 40-yardline and answered the early Rebel score as the Eagles went 60 yards in 13 plays to pull even. The seven-minute march was sparked by the running of Ladarius Purifoy with 26 yards on six carries, while the score came on a 16-yard pass from Ethan Curry to David Hinson. Curry added the two-point conversion, and with only 10-seconds left in the quarter the score was tied at 8-8.

Zion Chapel began its ensuing possession at its own 35-yardline and this time the Rebels went 65 yards in six plays to regain the lead. Sophomore quarterback Mason Stuart rushed for 33 yards on three carries and completed two passes for 17 yards to lead the Rebels down the field, and it was Stuart that capped the long scoring drive with a 4-yard touchdown dash. A two-point try failed, but with 9:28 left in the second quarter the Rebels were back on top 14-8.

The Zion Chapel defense turned back a Pleasant Home scoring threat at the Rebels 15-yardline on the game's next offensive series, and once again the Rebels offense was ready to roll as this time it went 85 yards in nine plays and overcame a major distance penalty to stretch its first half advantage.

A 24-yard run by Bradon Grantham on the initial play of the possession got the Rebels off to a fast start, while Mason Stuart hooked up with Brayden Watson on a 25-yard pass completion and added a 34-yard completion to Jackson Adcock to lead the Rebels down field. Stuart scored his second touchdown of the half on a 6-yard run, and while a two-point try failed to produce points, the Rebels lead had grown to 20-8 with 2:41 left in the half.

Pleasant Home began its ensuing possession near midfield after a short kickoff and needed only four plays to reach the endzone to cut into the Zion Chapel lead. A 43-yard pass from Mason Anderson to Ethan Curry was a key play in the quick scoring drive, and Anderson scored on a 6-yard run on the next play as the Eagles scored with just 27-seconds left on the clock. Anderson also ran in

the two-point conversion, and at the half Zion Chapel left the field with a 20-14 lead.

Zion Chapel began its initial possession of the second half at its own 14-yardline after a Pleasant Home punt and promptly went 86 yards in just six plays to extend its advantage. A 38-yard pass from Mason Stuart to Zay Adair was a key play in the long scoring drive, while Stuart notched his third touchdown of the night on a 27-yard dash. The two-point try again failed, but with 6:40 left in the third quarter the Rebels owned a 26-16 advantage.

The Rebels Mason Stuart picked off an Eagles pass on Pleasant Home's ensuing series, but the Rebels gave the ball right back on a fumble, and the Eagles cashed in the turnover as they went 35 yards in five plays to get back into the endzone.

A 36-yard pass completion from Mason Anderson to Logan Bolling on third down and 20 was a key play in the short scoring drive, while it was Ladarius Purifoy that capped the drive with a one-yard scoring run. Purify added the two-point conversion, and with 42-seconds left in the third quarter the Rebels lead had been chopped to 26-24.

Zion Chapel wasted little time regaining command as the Rebels took the ensuing kickoff and went 56 yards in five plays to reach the endzone. Mason Stuart rushed for 24 yards on two carries and completed two passes for 32 yards to lead the Rebels down the field, and it was Stuart that scored his fourth touchdown of the night on a 7-yard run to put Zion Chapel on top 32-24

with 10:06 remaining in the fourth quarter.

Zion Chapel regained possession at its own 31-yardline after a defensive stand and the Rebels marched 69 yards in 12 plays to seal the deal on the big road win. Mason Stuart and Brayden Watson hooked up twice during the scoring drive for 29 yards in the air, while Zay Adair rushed three times for 16 yards and scored the touchdown on a 12-yard run. The extra-point try was good, and with 2:07 left on the clock the Rebels had locked up the 39-24 win.

Mason Stuart rushed for 135 yards and 4 touchdowns on 14 carries and completed 16 of 19 passes for 209 yards and one td to spark Zion Chapel, while Zay Adair added 81 yards and one td on 11 carries. Five Rebel receivers caught passes in the win, led by Brayden Watson with six catches for 78 yards, Bradon Grantham with five catches for 47 yards and one td, and Jackson Adcock with three catches for 43 yards.

Ladarius Purifoy rushed for 44 yards and one td on 13 carries and Mason Anderson added 43 yards and one td on five carries to lead Pleasant Home, while Anderson and Ethan Curry combined to complete 8 of 18 passes, with one interception, for 133 yards.

Brantley tops Trojans 29-15

Statistics by Greg Brunson  
Photos by Cody Nichols

The top-ranked Brantley Bulldogs made a statement read by every Class 1A playoff participant across the state Friday night as they posted an impressive 29-15 victory over the 5A Charles Henderson Trojans, at David Lowery Stadium, in Brantley.

Brantley received the game's opening kickoff and behind the passing of Jayden Parks and the running of Kedrick Brown drove 67 yards in seven plays to reach a first down at the Trojans 17-yardline. A pair of holding penalties on the Bulldogs next two plays slowed the drive; however, and the early scoring threat ended with a punt from the 38-yardline.

Charles Henderson failed to muster an offensive threat on its initial possession, but got the ball back at the Brantley 39-yardline on a pass interception and cashed in the turnover to get on the scoreboard. The Trojan score came on a 12-yard touchdown toss from Parker Adams to Jywon Boyd on the final play of quarter, and the two-point try was successful as Charles Henderson grabbed an 8-0 advantage.

Brantley began its ensuing possession at its own 20-yardline and had an answer for the Trojan score as the Bulldogs marched 80 yards in nine plays to pull even. Kedrick Brown and Robert Shine took turns butting heads with the Charles Henderson defense to help the Bulldogs cross midfield, and it was Shine that grabbed the spotlight as he raced 42 yards down the sidelines to put Brantley on the scoreboard. Parks ran in

the two-point conversion as Brantley pulled even at 8-8 with 7:10 left in the second quarter.

Brantley quickly regained possession near midfield on a fumble recovery by Daquan Pittman, and from there it took the Bulldogs five plays to cash in the turnover. Kedrick Brown rushed for 47 yards on two carries during the 54-yard scoring march, and it was Brown that capped the drive with a 37-yard dash up the middle. Jon Bush kicked the extra-point, and with 3:22 left in the half the Bulldogs were on top 15-8.

Brantley saw a potential 80-yard interception return for a touchdown by Morell Edwards waved off by a penalty flag midway through the third quarter. However, the flag only delayed the next Bulldog score as Brantley went 78 yards in five plays to extend its lead. A 41-yard burst by Kedrick Brown on the first play of the series got the Bulldogs off and running, and while Daquan Pittman added a 16-yard dash, it was Brown that capped the scoring drive with a one-yard run up the middle. The extra-point try failed, but with 2:16 left in the third quarter Brantley's lead was up to 21-8.

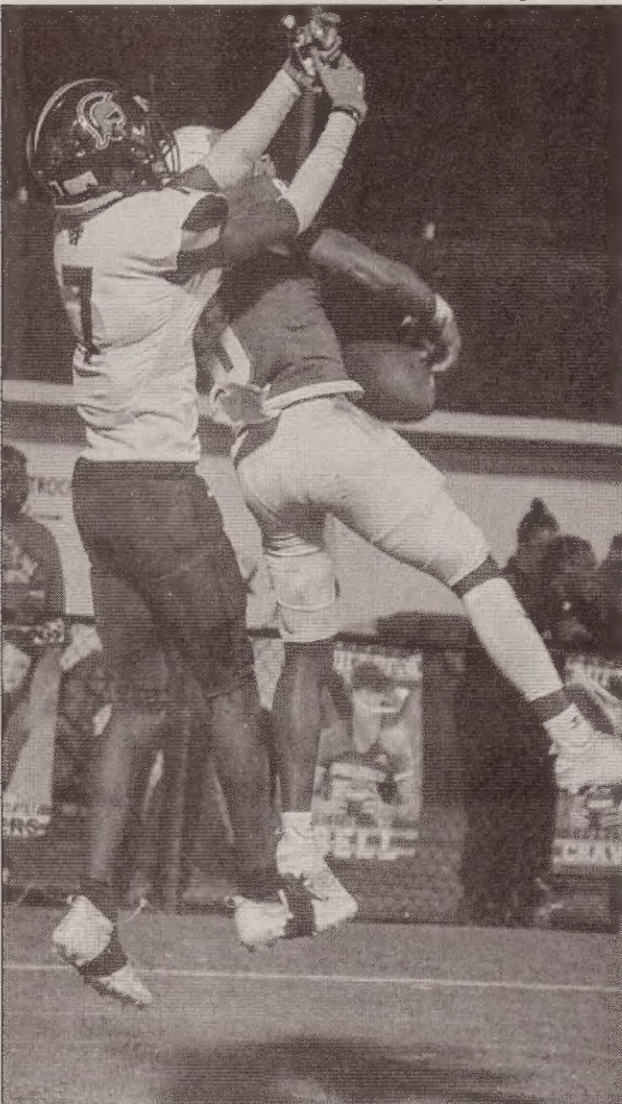

Charles Henderson began its ensuing possession at its own 36-yardline and came back to life offensively as the Trojans covered the distance to the endzone in five plays to cut into the Brantley lead. The score came on a 29-yard run by Jywon Boyd, and Nikolas Peerson added the extra-point as the Trojans pulled within 21-15 with 11:31 remaining in the fourth quarter.

### Zion Chapel bass team members compete in Oct. 23rd tourney

The Zion Chapel Bass Team recently ventured to west northwest Alabama for its third tournament of the season with the Wiregrass Student Angler Trail.

After a day of pre-fishing, team members launched their boats at Cooter's Pond Landing on the Alabama River which is about twenty miles west of Prattville. While waiting for blastoff at safe light, they reverently listened to a prayer voiced for their safety and the playing of the national anthem.

The Alabama River is always tough, and Saturday, Oct. 23, 2021, was no different. There were 98 boats that launched from Cooter's Pond, and all were seeking the big bass.

The Zion Chapel two-person team of Avery Padgett/Ethan Young caught their limit of five fish weighing 6.53 pounds and finished in 12th place out of 98 boats. Team Cole McDaniel/Kevin Dowdy caught four fish weighing 5.76 pounds and finished 37th place out of 98 boats. Also, Team Kevin Shull/Jackson Dowdy caught four fish weighing 5.43 pounds and finished 47th place with 98 boats in the race.

With the total points for three tournaments in the angler of the year competition, team Avery Padgett and Ethan Young now are in seventh place out of 121 teams with a total of 853 points and chasing the top team with 892 points. Kevin

Shull and Jackson Dowdy are in 38th place, and team Cole McDaniel and Kevin Dowdy are in 48th place.

As always, the ZCBT thanks its many sponsors who make the tournament adventure possible. Also, for this tournament the team members are indebted to their captains Kyle Padgett, Mike McDaniel, and Kevin Dowdy Sr.

The next tournament for the ZCBT will be Saturday, Nov. 13, on the Alabama River, Miller's Ferry Landing. This will be the first tournament for this season on the Alabama BASS Nation Tiger Trail.
